### Instructions:

- You are required to complete this checklist each day before reporting to work.
- If you answer YES to any of the questions below, STAY HOME and immediately contact your supervisor. You must provide the District with documentation of your visit to your physician and documentation regarding any period of quarantine directed by your physician or Public Health Department.
- If you answer NO to the questions below, you will report work. By reporting to work, you are certifying you conducted the health check and answered NO to all the questions below.
