9th Grade:	Physical and Dental Exam
12th Grade:	Up to date Immunizations (including Meningitis immunization having completed 2 doses with one of them given after age 16)

Answers to parent frequently asked questions:

Physical requirements: The required physical exam must be completed on the DHS Certificate of Child Health Examination form dated 11-2015. No other form will be accepted. NO IHSA physical forms will be allowed for these required grades. Make sure you have completed all the yes/no questions and parent signature on the form before turning this in.

Religious Objections for Immunizations: Those who have a religious objection to vaccinations must turn in the state Religious Objection form which must be signed off by your Primary Care Physician. This is due **every time** a new vaccine is required.

Medication Forms: If your child takes **any** medication at school a new form is due each school year. This form is located on our district website and must be signed by your physician each school year.

All required forms: can be found on the district website at www.bccu2.org. Go to the parent tab, then click the health services tab, then health forms tab.

**If you have any questions or concerns,
please contact your school nurses:**

Carisa Bohannon- Greenville Elementary, Junior High, and High School Nurse 664-3117 ext 104 or email cbohannon@bccu2.org
