

Dear Parent/Guardian,

We are offering an **optional** annual insurance policy of **\$35.00 per year** that will cover any ACCIDENTAL damages to a district distributed chromebook for home/school use. Damage that is done on purpose or a device that is lost is NOT covered under the policy. Theft is also covered with a police report. The \$35.00 policy is limited to **two** screen replacements and other damage up to the cost of a total replacement of the Chromebook. If you have multiple repairs that exceed the two screens or cost of replacement, you will be responsible. For instance: If you break a screen three times, you will be responsible for the cost of the third screen replacement. If you have multiple repairs on a chromebook, you will be responsible for any costs incurred beyond the cost of replacement (\$219).

**Payment for the Optional Accidental Damage Insurance can be made online using the RevTrak webstore or by sending money to school.**

The Chromebooks are district property and under the district's Acceptable Use Policy and need to be taken care of.

**Please review [this slide presentation](#) on the care of your new chromebook.**

**Key Reminders:**

- Keep food and liquids away from the Chromebook.
- Come to the office if there are ANY issues with the Chromebook.
- Take care when plugging and unplugging the device. Do not just pull the Chromebook away from the charger to unplug it.
- We highly recommend the purchase of a protective case from the source of your choosing. As a convenience, there are a limited number of padded chromebook sleeves available for \$14.00 each in the RevTrak store.

Accidents can happen and students will be responsible for any repairs/replacements. If attempts are made to have a district owned Chromebook repaired by anyone other than district technology personnel, the student will be responsible for the full cost of replacement. Also, any use of a different power supply than the one provided will void the warranty and could result in damage. If you lose your power supply, you will need to obtain a new one through the district.

**Estimated Replacement Part Cost:**

HP 11" Chromebook Parts	Cost of Replacement
HP 11 G6 EE Replacement Screen	\$49.00
