To BCCU #2 Families:

Although this has been a trying week for many students, we look forward to the sunshine and warmer weather as we continue into the final month of the school year. I would like to thank all teachers, staff, parents and students for their continued flexibility as we may face the need to make last minutes adjustments in schedules.

As a reminder, Bond CUSD 2 **High School** students will be in remote learning again Monday, May 3rd. All high school students should be logging in daily and completing the remote learning activities as sent from the high school staff and administration last week. In addition, there will be no high school student activities or athletics on Monday.

On Monday, May 3rd, based on guidance from the IDPH and Bond County Health Department, an announcement will be made regarding the high school and a return to in-person learning or the continuation of remote learning.

Please monitor your children for any of the symptoms listed here: fever, new onset of moderate to severe headache, shortness of breath, new cough, sore throat, vomiting, diarrhea, loss of taste or smell, fatigue, muscle or body aches from an unknown cause. If your child is showing any of the above listed symptoms, please keep them at home.
