

Family Access:

1. Login in to Family Access by going to the District Webpage: www.bccu2.org and clicking on the Family Access button under “Quick Links” in the center.
2. Login using your username and password. If you do not know it, try to recover it by using the link below the login. If not successful, please call your student’s school office.

TO MAKE CHANGES TO YOUR ACCOUNT SETTINGS:

1. Click on Account Setup in the upper right corner.
2. You can update the fields that are NOT gray.
3. Sign up to receive Grading Notifications by email.
4. Remember to Save your changes.

TO SETUP SKYLERT NOTIFICATION PREFERENCES:

1. Click on the “Skylert” tab on the left side.
2. In the Skylert area, you can manage your notification preferences. Any changes made in the Skylert area will automatically update in your student’s Skyward account to keep your school office information up-to-date. You can also add additional phone numbers, email addresses and cellular numbers for text messages. Remember to “Save” when finished with your edits.
