

## **BOND COUNTY COMMUNITY UNIT #2 REGISTRATION**

Online registration for all PreK-12th **returning students** runs **from May 2-13, 2022.**

Parents can login into their Skyward Family Access and register their child for school, complete with credit card payment. More information can be found on the school district website at [www.bccu2.org](http://www.bccu2.org) in the Announcement and Quick Link areas on the front page. There you can find a link to Family Access, directions for setting up a RevTrak account to make payments and Online Registration. There is no additional cost to families using online registration or payment.

If you need assistance with your Family Access login credentials, please call your student's school office during regular office hours or email anytime.

Class schedules for Greenville Jr. High and high school students will be passed out on the first day of school. **Meal Benefits Applications and any high school course fees will be available in late July-early August. An email will be sent to the email address in Skyward to inform you when you can complete your final registration steps.**

All students in BCCU#2 entering KRP, Kindergarten, 2nd, 6th, 9th, and 12th grades need to turn in the following health forms in August. If these are not turned in by the first day of school your student may be excluded from school.

- KRP (entering for the first time): current physical and up to date immunizations
- Kindergartners: current physical, up to date immunizations, eye exam (from optometrist), and dental exam
- 2nd graders: dental exam
- 6th graders: current physical, up to date immunizations (including T-dap, Meningitis, and Varicella dose #2), and dental exam
- 9th graders: current physical, up to date immunizations, and dental exam.
- 12th graders: meningococcal immunization

*Students who owe charges from the previous year will be expected to pay those before the start of the new school year.*
